BME Accelerated Master's Student Form

This form is required for students pursuing an accelerated MS degree from the Department of Biomedical Engineering.

Student Name:

M #:

Date:

Accelerated Master's (COURSES TO BE APPLIED TO BOTH BS & MS)			
Title	Course Number	Number of Credits	Semester Taken

Advisor Name:

Advisor Signature:

Date:

Courses that can be double counted:

- Must be approved by the planned academic advisor at the time of application to the Accelerated MS program
- Must be 4000 level or higher taken as an undergraduate student
- A maximum of 6 credits can count toward your MS degree
- Must not be a required BE course at the 4000 level. Typically, we recommend science and technical electives at the 4000 level.
