

CAREER READINESS AND PROFESSIONAL DEVELOPMENT

Presentation Offerings for Classes and Groups

FALL 2023

The following presentations offered by [Michigan Tech Career Services](#) are organized around the professional development competencies identified by the [National Association of Colleges and Employers](#) (NACE). NACE is a professional organization that connects college career educators and business recruiters to provide resources and research identifying best practices for professional development and recruiting. The NACE competencies are a set of transferable skills that are highly sought by employers and that prepare students to excel academically and thrive professionally. All of these presentations are available upon [request](#).

NACE Competencies:

(1) Career & Self-Development, (2) Communication, (3) Critical Thinking, (4) Equity & Inclusion, (5) Leadership, (6) Professionalism, (7) Teamwork, and (8) Technology.
