Historical Note

The Michigan Technological University Presidential Council of Alumnae was established in 1995 and is composed of female graduates from Michigan Tech recognized for their superior achievement in professional service, education, past service as a student, support for the University, and personal achievements.

The function of the PCA is to advise the University President on campus climate issues and to provide suggestions for enhancing the University's environment for students. Members of the PCA assist by identifying activities and programs that will benefit Michigan Tech students

Michigan Technological University Presidential Council of Alumnae induction ceremony programs MTU-244 and work with the departments of Educational Opportunity, Advancement, and individual academic departments to implement their ideas.

New members are added to the PCA annually and serve for three years of active participation on the advisory group, though recommitment is common among inductees.
