

### Report on Final Oral Examination

Complete form in Adobe Acrobat or Reader; PDF viewers in browsers do not work properly.

**Graduate students:** All dissertation, thesis, or report students submit this form immediately after the final oral examination **but not later than the deadline** to your **Graduate Program** to report the results of the examination.

**Graduate programs:** Verify the student has met your requirements and upload the form to the **Graduate School**. Uploading the form by the program indicates that all approvals have been verified and no signatures are required.

The degree will not be awarded until it has been verified by the Graduate School that the student has fulfilled all degree requirements and that all required paperwork has been submitted.
