# Pay Your Enrollment Deposit

Your \$200 nonrefundable enrollment deposit guarantees your spot in the incoming class and provides access to the on-campus housing contract.

- Fall semester applicants—pay by May 1, 2025.
- Spring and summer applicants—pay within 30 days of acceptance.

Submit your enrollment deposit early to receive preference when choosing your Orientation date.

## Set Up Your Husky Portal

Watch for an email with the subject line “Set Up Your Husky Portal.” This email contains your portal link and login credentials. If you cannot find the email, please contact your regional admissions manager or the Admissions Office for assistance.

## Track Your Enrollment Progress

As an accepted student, you will use your Husky Portal to access important resources during the enrollment process.

- Application checklist
- Regional admissions manager contact information
- Michigan Tech single sign-on (SSO) information
- Michigan Tech student email account
- Student identification number (M Number)
- Scholarship and financial aid information
- Enrollment deposit
- On-campus housing contract (starting in January)
- Course placement information for math and computer science (if applicable)
- HuskyCard photo upload
- Guest access request

For more information, contact the Admissions Office at [mtu4u@mtu.edu](mailto:mtu4u@mtu.edu) or **888-688-1885**.

## Financial Aid and Scholarships

- Watch your mailbox for your merit-based scholarship information.
- Apply for competitive scholarships.
- Use the early aid estimator to estimate merit-based scholarships and need-based financial aid you may qualify for.
- File your Free Application for Federal Student Aid (FAFSA).

Cost matters when deciding where to go to college. Financing your education is made possible by four types of funding sources:

- Scholarships
- Grants
- Loans
- Employment

To be considered for the most opportunities, start by filing your Free Application for Federal Student Aid (FAFSA).

### Apply for Scholarships

Michigan residents are eligible for Presidential Scholars Program awards, and non-Michigan residents are eligible for National Scholars Program awards. These merit-based scholarships are available to first-year students. While you may not have provided official SAT or ACT scores when you applied for admission, we recommend you submit official scores for additional scholarship consideration.

The following Michigan Tech competitive scholarships require additional application materials. Some deadlines are as early as November 15:

- Leading Scholar Award–November 15
- Summer Youth Scholars–December 1
- FIRST Robotics Scholarship–March 1
- Visual and Performing Arts Talent Award–March 24

Also, start checking with your high school guidance office, community foundations, parent/guardian's place of employment, and other outside sources for additional scholarship opportunities.

Visit [mtu.edu/admissions/financial/scholarships](https://mtu.edu/admissions/financial/scholarships) for a full list of scholarships and deadlines.

### Use the Early Aid Estimator to Estimate Scholarships and Need-Based Aid

Our early aid estimator will prepare a custom estimate of merit-based scholarships and need-based financial aid you may qualify for if you attend Tech. While the results you receive are an estimate, it's a great first step toward determining the affordability of a Tech education. Once you file the FAFSA, your official financial aid package will be mailed to you. Get your estimate at [mtu.edu/admissions/financial/calculator](https://mtu.edu/admissions/financial/calculator)

## Report Private Scholarships

Many students earn scholarships from non-Michigan Tech sources—such as their high school, local foundations, or companies—that can be applied toward their cost of attendance at the school they choose to attend.

If you are awarded scholarships from non-Michigan Tech sources, you must report your scholarship(s) through your Financial Aid Portal under the 2024-2025 Outside Resources section. You can follow the step-by-step instructions at [mtu.edu/finaid/outside-scholarships](https://mtu.edu/finaid/outside-scholarships)

All reported scholarships will be applied to your Michigan Tech student bill within two to three days of being reported and are considered placeholder amounts until we receive the scholarship check.

## On-Campus Student Employment

At Michigan Tech, you'll find many opportunities for student employment. Even if you don't qualify for work-study (based on your FAFSA results), many departments on campus hire students for part-time jobs. On average, 2,000 students are employed on campus. Off-campus employment opportunities are also available.

Visit [mtu.edu/admissions/financial-paying](https://mtu.edu/admissions/financial-paying) for details.

## Complete Your FAFSA

To be considered for all University-awarded financial aid, including grants, loans (for students and parents/guardians), work-study employment, and other aid, complete your FAFSA. File online at [studentaid.gov](https://studentaid.gov) using our federal school code: **002292**. In order to process your FAFSA, Michigan Tech needs to have your social security number on file. To avoid delays in processing your FAFSA, please call the Admissions Office at **888-688-1885** to provide your social security number.

File by the due dates listed below for the best opportunities. FAFSAs processed after these dates will receive consideration for remaining aid.

### FAFSA Dates to Remember

Semester	FAFSA to File	Begin to File	Due Date
Spring 2025	2024-2025	As soon as possible	December 1, 2024
Summer 2025	2024-2025	As soon as possible	April 1, 2025
Fall 2025	2025-2026	December 1, 2024	March 1, 2025

If you've already filed a FAFSA, but did not have the results sent to Michigan Tech, visit [studentaid.gov](https://studentaid.gov) or call **800-433-3243** to have the results released to us.

## Financial Aid Package

If you are awarded financial assistance as a result of completing the FAFSA, you will receive a financial aid package that includes the following detailed information:

- Amount of merit- and need-based aid awarded
- Estimated annual cost of attendance for the upcoming school year
- Financial aid deadlines and information
- Information about how to accept your awards and the terms and conditions of your financial aid

### Financial Aid Notification Schedule

Semester	Notification Begins
Spring 2025	January 1, 2025
Summer 2025	April 30, 2025
Fall 2025	February 1, 2025

## Cost of Attendance

Your cost of attendance is an estimate of your annual expenses, including tuition, fees, housing and food, books, materials, equipment, personal needs, and travel.

Students who have earned 60 or more credits, including transfer credit, credit earned through early college or dual enrollment, or AP, IB, or CLEP, will be charged upper-division tuition. For details, see [mtu.edu/finaid/tuition/cost](https://mtu.edu/finaid/tuition/cost)

Use our Early Aid Estimator to get an estimate of your net cost after financial aid and scholarships. The more accurate the information you provide, the more accurate of an estimate you'll receive. Get started at [mtu.edu/admissions/financial/calculator](https://mtu.edu/admissions/financial/calculator)

## 2024-25 Estimated Undergraduate Student Expenses

Student Expenses	Michigan Residents	Non-Michigan Residents
Tuition <sup>1,2</sup>	\$18,796	\$42,662
Required Fees <sup>3</sup>	\$326	\$326
Lab and Course Fees (estimated)	\$607	\$607
Housing and Food <sup>4</sup>	\$13,050	\$13,050
<b>TOTAL Billed Expenses</b>	<b>\$32,779</b>	<b>\$56,645</b>
<b>Additional costs to consider</b>		
Books, Materials, and Equipment	\$1,200	\$1,200
Personal Expenses	\$640	\$640
Transportation	\$1,474	\$1,474
Loan Origination Fee <sup>5</sup>	\$64	\$64
<b>Annual TOTAL <sup>6</sup></b>	<b>\$36,157</b>	<b>\$60,023</b>

1. Students taking 12 to 18 credits per semester are charged the plateau rate listed above. Students taking fewer than 12 credits will be charged on a per-credit basis (resident: \$709; nonresident: \$1,580). This per-credit price also applies to any credit taken over 18 credits. Students attending summer semester will be charged the per-credit rate.
2. Students who have earned 60 or more credits, including transfer credit, credit earned through early college or dual enrollment, or AP, IB, or CLEP, will be charged upper-division tuition. For details, see [mtu.edu/finaid/tuition/cost](https://mtu.edu/finaid/tuition/cost)
3. Required fees per semester include: Fall and Spring Activity Fee—\$60; Fall and Spring Experience Tech Fee—\$103 (not assessed in summer).
4. Housing and food rates vary, depending on hall assignment and meal plan selection. See options at [mtu.edu/housing/applications-policies-rates](https://mtu.edu/housing/applications-policies-rates)
5. The loan origination fee is only charged to those students receiving federal direct loans.
6. Tuition, fees, and housing and food are payable each semester.

## Living On Campus

- Complete your housing contract for on-campus housing (beginning in January).
- Participate in roommate matching (opening in March).

### Complete Your Housing Contract

The on-campus residential experience plays a critical role in ensuring your success—you'll learn skills related to independent and communal living, establish a strong social network, and connect with multiple support resources for the foundation to succeed. With this as the guiding principle, all first-year students are required to live on campus their first year to maximize their success. Students receiving merit-based scholarships through the Presidential Scholars, National Scholars, or Leading Scholar Programs are required to live in University housing for their first two academic years.

Apply early for housing by completing your residence hall contract via HuskyHouse, our housing services portal, beginning in January. New students do not select their specific room but do have the opportunity to select their roommate.

Explore the residence halls at [mtu.edu/housing/options/undergraduate](https://mtu.edu/housing/options/undergraduate)

### Choose a Roommate

Once you submit your residence hall contract, you will be invited to use Roommate Matching (beginning March 6) to request a roommate you know or search for the best match. You have until June 10 to enter your roommate choice, but it's best to match as early as possible. If you choose not to use this program, roommates will be randomly assigned. **Please note: Students enrolling for spring or summer semesters are not eligible for Roommate Matching.**

Students who participate in Roommate Matching before June 10 will see fall housing details, including campus address and roommate names, in HuskyHouse by July 1. Students who apply for housing between June 11 and late July will receive fall housing details through their student account on August 1.

For more information, visit [mtu.edu/housing](https://mtu.edu/housing) or contact Residential Living at **906-487-2682** or [housing@mtu.edu](mailto:housing@mtu.edu).

## Register for Residential Parking

If you will be living on campus and you decide to bring a vehicle, please register your vehicle and purchase your Residential Parking Permit online by visiting the Michigan Tech Parking Portal on the Transportation Services website.

- **Mid-July:** Watch your MTU email for information on how to sign up for the permit waitlist and to purchase your permit.
- Permits for motorcycles, scooters/mopeds, and snowmobiles are only available to purchase at the Transportation Services office in Room 100 of the Administration Building.
- Winter storage is not available on campus.

Visit [mtu.edu/transportation](https://mtu.edu/transportation) for full details, contact Transportation Services at **906-487-1441**, or email us at [parking@mtu.edu](mailto:parking@mtu.edu).

## Transportation Courtesy Patrol Program

If you experience any vehicle breakdowns on campus, Transportation Services staff are ready to assist you free of charge with the following issues:

- Dead battery
- Flat tire
- Stuck in ice or snow
- Frozen door locks
- Out of gas

# Residential Dining

Meal plan options are tailored to meet a variety of dining preferences and needs of our community with flexibility and convenience. First-year students are required to select either the Premium Gold Unlimited or the 19 Meal Plan when signing a contract with Housing Services. These meal plans provide access to the largest number of meals per academic year, minimize the risk of food insecurity, and will ensure you have the nutritional support to be successful.

Our meal plans are carefully designed to meet a large majority of dietary needs. If you have additional dietary needs, a registered dietitian is available to offer complimentary, one-on-one nutrition counseling, dining accommodations, and assistance navigating the dining halls with food allergies/intolerance. Husky Eats professional staff strive to accommodate all students and are ready to work with you to address questions or concerns regarding your meal plan or dining experience.

Students can use their meal plans at the locations shown below. Visit [dineoncampus.com/MTU](https://dineoncampus.com/MTU) to view hours and menus. Between meals, the dining halls are open to students, with a variety of items available.

- Food Hall at Wadsworth Hall
- The Eatery at McNair Hall
- Food Hall at Douglass Houghton Hall

Meal Plans		
	Premium Gold Unlimited	19 Meal
Meal Swipes (per week)	Unlimited	19
Dining Dollars (per semester)	\$200	\$150
Guest Passes (per semester)	8	0
Access to Special Events	YES	NO

## Dining Dollars

Dining Dollars are the equivalent of cash or a prepaid credit card and can be used at any of our retail locations on campus. Dining Dollars are included in our two resident meal plans and are automatically loaded on your student ID at the beginning of each semester. Dining Dollars will roll over from fall to spring semester but will expire at the end of the academic year.

For more information, visit [dineoncampus.com/MTU](https://dineoncampus.com/MTU)

## Register for Commuter Parking

If you will commute to campus, please register your vehicle and purchase your commuter parking permit online by visiting the Michigan Tech Parking Portal on the Transportation Services website before classes begin.

- **Mid-July:** Watch your MTU email for information on how to sign up for the permit waitlist and to purchase your permit.
- **August:** Permits will be available for pickup in person after being purchased online.
- Permits for motorcycles, scooters/mopeds, and snowmobiles are only available to purchase at the Transportation Services office in Room 100 of the Administration Building.
- Winter storage is not available on campus.

You also have the option to register your vehicle online and pay to park at metered/visitor parking on campus. Meters can be paid with US quarters, through the Parkmobile app, or by purchasing visitor permits either in person or online at the Michigan Tech Parking Portal.

For full details, visit [mtu.edu/transportation](https://mtu.edu/transportation), contact Transportation Services at **906-487-1441**, or email us at [parking@mtu.edu](mailto:parking@mtu.edu).

## Living Off Campus

If you are a Michigan Tech student from the local area, you may choose to live at home with your parent/guardian. All of the same resources and opportunities are available to students who commute to campus, and we encourage you to take advantage of them and get involved.

Before Orientation, commuter students will receive communication about connecting with staff and getting their questions answered. Students can always email [success@mtu.edu](mailto:success@mtu.edu) with any questions or concerns they may have prior to the start of the semester.

As part of fall Orientation, plan to attend the Commuter Orientation Session. Don't miss this opportunity to meet fellow commuters and begin to get connected and involved.

## Commuter Meal Plans

Commuter students may select from meal options in the residential dining halls or at retail dining locations across campus.

Top Dog Express Plans are available to commuter students and can be purchased and recharged as needed. They are perfect for anyone who spends a mixture of their time eating on campus and cooking at home. Top Dog Express Plans include a set of meals that can be used at The Food Hall at Douglass Houghton Hall, The Eatery at McNair Hall, and The Food Hall at Wadsworth Hall.

Express Cash is a debit card program for on-campus purchases that is available as a feature of your HuskyCard. After adding funds, you can use your HuskyCard to make purchases at retail dining locations and some vending machines across campus.

## Off-Campus Housing

For information about off-campus housing, including a list of available properties, check out the off-campus housing list at [offcampushousing.mtu.edu/listing](https://offcampushousing.mtu.edu/listing), or contact the Undergraduate Student Government at **906-487-2406** or [usg@mtu.edu](mailto:usg@mtu.edu).

It is common for students to secure their off-campus housing 9-12 months in advance.

## Enrollment and Registration

- Request your final transcript(s).
- Submit your AP, IB, CLEP, or dual enrollment credit.
- Complete the course placement process.
- Upload your HuskyCard photo.
- Pay your tuition bill and confirm your enrollment.

### Request Your Final High School Transcript

An official final high school transcript is required within 30 days of your high school graduation. Request your final transcript through Parchment or contact your high school upon graduation and ask them to send your official transcript showing your final grades and graduation date. Your final transcript will be reviewed by the Admissions Committee to verify continued academic success after the time of your acceptance to Michigan Tech. A significant decline in academic performance during your senior year may affect your enrollment status and, at the University's discretion, may result in a revocation of your admission and any financial assistance awarded.

To be considered official, a transcript must be sent directly to Michigan Tech's Admissions Office by the institution issuing the transcript or from a transcript service such as Parchment. Transcripts stamped "issued to student" or those hand delivered, even if in a sealed envelope, are not acceptable.

### Request Your Official College Transcript

If you completed college-level courses during high school, contact the registrar's office at the participating institution(s) and request that an official transcript with your final grades be sent to Michigan Tech's Admissions Office. Courses will be evaluated for transfer credit. If you are using a third-party transcript service, such as Parchment or National Student Clearinghouse, please make sure to select "Admissions" as the destination.

### Submit AP, IB, or CLEP Scores

Your scores on Advanced Placement (AP), International Baccalaureate (IB), or College Level Examination Program (CLEP) tests may earn you credit or placement. Scores must be sent to Michigan Tech directly from the testing agency.

Go to [mtu.edu/admissions/enroll/ap-ib-clep](https://mtu.edu/admissions/enroll/ap-ib-clep) to see the list of scores needed to receive Michigan Tech credit.

## Plan for Orientation

All new students attend Orientation prior to beginning classes at Michigan Tech.

Orientation is undergoing exciting changes for students enrolling in fall 2025! Watch [mtu.edu/orientation](https://mtu.edu/orientation) for updates and information. We'll also connect with you through your Tech email account with important dates and deadlines.

Orientation is the time when you become a Michigan Tech Husky. In addition to meeting fellow new students, you'll become acquainted with campus resources, learn important information about academic and co-curricular opportunities, and connect with current Tech students, faculty, and staff members who are here to support you during your time on campus.

Participation in Orientation is required for all new students, regardless of living arrangement.

Local accommodations are limited, so please make lodging reservations early if you have family members traveling with you.

For more information, contact Orientation staff at **888-688-1885** or **906-487-3558**, [orientation@mtu.edu](mailto:orientation@mtu.edu), or [mtu.edu/orientation](https://mtu.edu/orientation)

## Complete Course Placement

Michigan Tech offers placement tests to ensure you are beginning your coursework at the right level.

### Math

Placement in an appropriate initial math course is crucial to your success at Michigan Tech. The Registrar's Office will create your first semester schedule and their goal is to place you into the math course that will provide the best opportunity to complete your degree in four years.

Starting in a math course that is too low may increase your time to graduation. But starting in a course that is too advanced could mean frustration, difficulty understanding important concepts, or retaking courses and increasing your time to graduation.

- 1. Find your recommended first math course.** Visit [mtu.edu/math/undergraduate/placement/placement-scores](https://mtu.edu/math/undergraduate/placement/placement-scores) and select your intended major from the drop-down menu to view what scores/credit are needed to place into that course. Tip—your recommended first math course will be highlighted in gold.
- 2. Log in to your Husky Portal.** Find the section named 'Math Placement' to view the score(s)/credit we currently have on file for you.
  - If you have a qualifying score(s) on file, or applicable transfer credit, you're all set!
  - If you do not see score(s) or credit listed on your portal, we do not have this information on file for you.
- 3. Provide your official score(s)/credit by June 30, 2025.** In order to place you into a math course, we need at least one of the following:
  - Official SAT or ACT score
  - AP Calculus\* (AB or BC) credit earned with a qualifying score
  - College transfer credit for college algebra or higher
- 4. If you cannot provide us with any of the items listed above, you must take the ALEKS Math Placement Assessment through the Husky Portal (available in mid-May).** There is a \$25 fee for the ALEKS assessment. You will receive one (1) initial assessment, unlimited use of the Prep and Learning Module, and up to four (4) additional assessments. Before submitting your payment, we strongly encourage you to use the free trial of ALEKS.

Visit [mtu.edu/math/placement](https://mtu.edu/math/placement) for more information and to see the recommended first math course for your major.

### Chemistry

Find details on chemistry course placement at [mtu.edu/chemistry/fyc](https://mtu.edu/chemistry/fyc)

### Modern Language

If you plan to continue studying German or Spanish at Tech, you must take the free online Modern Language Placement Exam to be placed into the correct course. Placement tests are available throughout the summer and during Orientation. Learn more about the test and view sign-up instructions at [mtu.edu/humanities/undergraduate/modern-languages/placement](https://mtu.edu/humanities/undergraduate/modern-languages/placement)

### Computer Science Knowledge Assessment

Students enrolling in computer science, cybersecurity, software engineering, general computing, computer engineering, computational biology, or computational chemistry and chemical informatics must take the online Computer Science Knowledge Assessment in June to determine which introductory computer science course is best for you. Visit [mtu.edu/cs/undergraduate/placement](https://mtu.edu/cs/undergraduate/placement) for details about this online test.

## Class Schedule

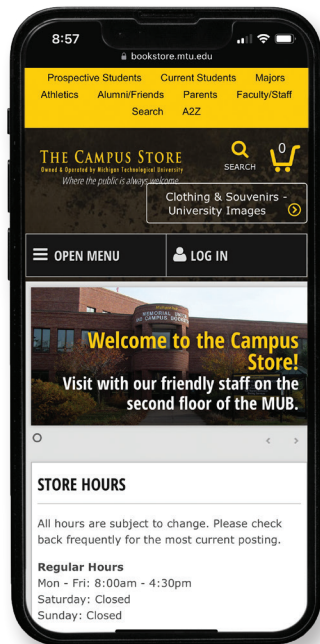

Your schedule will be created by the Registrar's Office in mid-July based on your major, course placement results, AP/IB/CLEP score(s), and transfer credits received.

Your initial schedule may not reflect full-time status (12 credits or more). Prior to the start of classes, you will be able to add other courses (co-curricular courses, Essential Education, electives) to complete your fall schedule or make changes after consulting with your academic advisor. Changes may also be made by contacting the Registrar's Office at **906-487-2319** or **schedule@mtu.edu**.

All first-year students are billed as full-time, making you eligible for financial aid. Any adjustments to your bill will be made in August.

## Get Your Books

Once you receive your course schedule, you may order your books online via **bookstore.mtu.edu** prior to the start of the semester. After you place your order, your books will be available for pickup when you arrive on campus.

## Submit a Photo for Your HuskyCard

Your Michigan Tech HuskyCard is your official photo ID, room and building access card, residence hall meal pass, and an on-campus debit card. You'll submit your HuskyCard photo online through your **Husky Portal**.

Once on campus, keep your card with you at all times—there is a fee to replace lost or damaged cards.

Visit [mtu.edu/it/services/accounts/huskycard](https://mtu.edu/it/services/accounts/huskycard) for complete information.

## Express Cash

The Express Cash debit card program is available as a feature of your HuskyCard. It operates like a debit card for on-campus purchases. After adding funds to your account, you may use your card to make purchases at locations like the Campus Bookstore and University Images, retail dining across campus, the Rozsa Center for the Performing Arts Box Office, the Student Development Complex Central Ticket Office, printers and copiers, and some vending machines on campus.

## Computing Device Requirement

All students are required to have a computing device that meets minimum specifications for their major. This will help maximize success in a range of class scenarios, including in-class and remote learning, as well as remote assessment. Visit [mtu.edu/it/help/computing-device](https://mtu.edu/it/help/computing-device) for more information.

## View Our Undergraduate Catalog

Michigan Tech's Undergraduate Catalog at [mtu.edu/catalog](https://mtu.edu/catalog) provides degree requirements and course descriptions.

## Changing Your Major

If you decide prior to enrolling at Michigan Tech that you would like to change your major from the program you selected on your application for admission, email [mtu4u@mtu.edu](mailto:mtu4u@mtu.edu) or call **888-688-1885** to indicate the major you would like to change to. Your application will be reviewed to determine if you meet admissions requirements for the new program. To change your major after the drop/add period, you will work directly with your academic advisor to request changes to your program of study.

## Declining Your Acceptance

If you decide not to enroll at Michigan Tech, email [mtu4u@mtu.edu](mailto:mtu4u@mtu.edu) or call **888-688-1885** to let us know. Your notification will cancel your application for admission and your housing application and contract (if applicable). Any scholarships or financial aid awarded to you will also be canceled. In addition, you will stop receiving notifications and reminders from the University. Please note the \$200 enrollment deposit is nonrefundable.

## Student Tuition and Paying Your Bill

Your bill will be available online through your Michigan Tech account. Please watch your email for the notification once bills are available. This will be the initial bill. Some students may receive a second bill, which will be available during the third week of each semester and will reflect any changes in financial aid, housing, and/or course adjustments made (additions or drops). It is possible to use financial aid to help pay for your books; details will be in your financial aid package.

### Billing Schedule

Semester of Enrollment	First Billing Date Due Date	Second Billing Date Due Date
Spring 2025	November 22, 2024 January 2, 2025	January 21, 2025 February 7, 2025
Summer 2025	April 4, 2025 April 30, 2025	May 20, 2025 June 6, 2025
Fall 2025	July 9, 2025 August 20, 2025	September 9, 2025 September 26, 2025

*\*Based on the provisional calendar*

### Payment Options

Michigan Tech offers several options for paying your bill:

- Check or money order
- Credit card\* (online)
- e-check (online)
- Five- or Four-Payment Plan

*\* There is a 2.3 percent nonrefundable surcharge for Visa, MasterCard, Discover, and American Express payments.*

For more information, visit [mtu.edu/student-billing](https://mtu.edu/student-billing) or contact the Student Financial Services Center at **906-487-2622** or [student-billing@mtu.edu](mailto:student-billing@mtu.edu).

# Healthy Living

You need to be physically and mentally well to get the most out of your college experience. If you find yourself under the weather or in need of help, there are resources available to you.

## Wellness, Relationships, and Responsible Behavior

All new students are required to complete educational programs on responsible behavior with regard to substance use and relationships. These courses promote a healthier and safer campus environment for everyone. Watch your Michigan Tech email account from mid-July to early August for the information you'll need to start the online course(s).

## Health Services

Students have access to multiple healthcare providers and services in the Houghton and Hancock area. For more information, visit [mtu.edu/deanofstudents/students/services/local-resources](https://mtu.edu/deanofstudents/students/services/local-resources)

Flu shot clinics will be held during the fall semester on Michigan Tech's campus, with services provided by UP Health System Portage. Please note: A fee is charged for flu shots, and a waiver can be provided to receive reimbursement from your insurance company. Email [well-being@mtu.edu](mailto:well-being@mtu.edu) for dates, locations, or questions.

For more information on student health services, see [mtu.edu/deanofstudents/students/services](https://mtu.edu/deanofstudents/students/services)

## Student Disability Services

Student Disability Services at Michigan Tech is committed to assisting students with documented disabilities by providing accommodations and/or modifications. Information is available at [mtu.edu/success/disability](https://mtu.edu/success/disability) or contact us at **906-487-3558** or [sds@mtu.edu](mailto:sds@mtu.edu).

## Immunizations

Michigan Tech highly recommends students have the following vaccinations before arriving on campus, but we do not require your immunization record. If you are not sure about your vaccination status, please contact your healthcare provider or local health department. For more information on Michigan Tech's immunization recommendations, please visit [mtu.edu/deanofstudents/students/services/immunizations](https://mtu.edu/deanofstudents/students/services/immunizations)

- Meningococcal Quadrivalent (A, C, Y, W-135)
- Serogroup B Meningococcal
- Tetanus/Diphtheria/Pertussis
- Measles-Mumps-Rubella (MMR)
- Chickenpox (Varicella)
- Hepatitis A, Hepatitis B
- HPV-Human Papillomavirus (all genders)
- Influenza (Flu)
- Polio
- COVID-19

## Student Insurance

We recommend all students have health insurance coverage while attending Michigan Tech. All international and graduate students must have insurance; domestic students may purchase insurance through the University if they desire.

The Student Insurance Office at Michigan Tech offers health insurance to currently enrolled students, covering preventative services, basic medical care, and hospitalization.

For more information, visit [mtu.edu/hr/students/insurance](https://mtu.edu/hr/students/insurance) or contact us at **906-487-1088** or [studentinsurance@mtu.edu](mailto:studentinsurance@mtu.edu).

## Waino Wahtera Center for Student Success

The Waino Wahtera Center for Student Success is dedicated to helping you develop skills, attitudes, and values that will enhance your academic and personal success. Our staff offers you and your family a variety of programs, services, and opportunities to support your transition to Michigan Tech.

## The Center for Student Mental Health and Well-being

Mental health services staff can help students gain perspective and be successful—personally and academically. Our professional staff of licensed therapists provide solution-focused therapies to assist you in navigating challenges you may face while enrolled at the University. Each clinician works closely with all student support services at Michigan Tech and with healthcare professionals both locally and in your home area. Services are free and confidential.

In addition, students have access to telehealth counseling support through the TELUS Health Student Support app. TELUS offers 24/7 multilingual real-time phone and chat services as well as short-term phone and video support by appointment, even when students are studying abroad or working at a co-op or internship position.

If you are currently engaged in mental health support in your home community, we encourage you to contact the Center to discuss options for continued care.

For more information or to schedule an appointment, call us at **906-487-2538**.

## Chronic Medical Conditions

Students with chronic medical conditions should register with Student Disability Services in the Waino Wahtera Center for Student Success in case they require support during the semester.

Visit [mtu.edu/success/disability/students/policy](https://mtu.edu/success/disability/students/policy) for more information, call **906-487-3558**, or email [sds@mtu.edu](mailto:sds@mtu.edu).
