## PROFESSIONAL SUMMARY

I am a fourth-year finance and economics student looking for an opportunity to add financial expertise for a company. As a division I ice hockey student athlete, I have the time-management skills to balance academic workloads along with athletic demands. I am planning on starting my own personal financial planning company after professional hockey.

## EDUCATION

**Bachelor of Science** : Finance, Expected in 05/2021  
**Michigan Technological University** - Houghton, MI

- Minored in Economics
- GPA: 3.42

## PROJECTS

Applied Portfolio Management Program (APMP)- Managing \$1.5 million dollars of the school's endowment fund alongside other student team members.

## WORK HISTORY

**Finance Intern**, 04/2020 to Current  
**Ocuglass, LLC** - Hancock, MI

- Developed and analyzed budgets and performed financial statement analysis.
- Collected data and developed detailed spreadsheets to identify trends and create revenue, profitability and expense forecasts.
- Developed recommendations to reduce costs and improve profitability.

**Hockey Coach U16AAA**, 04/2019 to Current  
**Northern Wisconsin Blizzard** - Eagle River, WI

- Coached and mentored top U16 hockey players in the northern Michigan and Wisconsin area.
- Evaluated individual skills and strengths to maximize development: specifically for defensemen.
- Built trusted relationships with players as well as parents to ensure players were getting the most value out of their experience.

**Hockey Instructor**, 07/2018 to Current  
**Michigan Technological University** - Houghton, MI

- Built relationships with and trained ages 6-16 on and off the ice.
- Created practice plans and workouts for each specific age group to help develop skills.
