

Michigan Tech Microchips & Robotics Camp Schedule (April 19-20, 2025)

| Saturday 4/19 | Sunday 4/20 |
|--|---|
| 8:30am-9am: Camp Registration, EERC330 at Michigan Tech campus | 8:30am-9am: Phase III: Programming FANUC Industrial Robots |
| 9am-9:50am: Welcome & Introduction (Team); Pre-camp Survey; Phase I: Intro to Microchip and Robotics | 9am-9:50am: Phase III: Programming FANUC Industrial Robots |
| 10am-10:50am: Phase I: Intro to Microchip and Robotics | 10am-10:50am: Phase III: Programming FANUC Industrial Robots |
| 11am-11:50am: Phase II: Integration of Microchips and Robotics | 11am-11:50am: Phase III: Programming FANUC Industrial Robots |
| 12 noon – 1:00pm: Group Photo / Complimentary Lunch at Wads Dining Hall | 12pm – 12:30pm Feedback and Discussion; Post-camp Survey; Award ceremony; End of the camp |
| 1:00pm-1:50pm: Phase II: Integration of Microchips and Robotics | |
| 2:00pm-2:50pm: Phase II: Integration of Microchips and Robotics | |
| 3:00pm-3:50pm: Phase III: Programming FANUC Industrial Robots | |
| 4:00pm-4:50pm: Phase III: Introduction to Cybersecurity; end of day survey | |

The classroom is EERC 330 and the lab room is EERC 430.

The Electrical Energy Resources Center (EERC) is a seven-story brick building situated behind the library. The library is a three-story building with a glass exterior, easily visible from College Avenue. Metered parking is available in front of the library. The location of the EERC building can also be found on [Google Maps](#).
