A number of these searches will have multiple hires.

If you want to work at one of the nation's premier technological universities and live in one of the top small towns in the US—with year-round outdoor adventure like skiing, biking, and hiking—we strongly encourage you to apply. Additional details can be found at [mtu.edu/provost/hiring-initiatives](http://mtu.edu/provost/hiring-initiatives)

Michigan Technological University is:

- committed to a sense of belonging and engagement that is conducive to excellent teaching, innovative research, and the personal and intellectual growth of its students, faculty, staff, and alumni.
- supportive of dual-career partners by offering candidates the opportunity to bring a guest to on-campus interviews (the Manager of Partner Engagement offers information related to potential employment opportunities and other resources at Michigan Tech and in the local area —learn more at [mtu.edu/provost/programs/partner-engagement](http://mtu.edu/provost/programs/partner-engagement)).

- home to more than 7,000 students from 55 countries around the world—our five degree-granting colleges develop, apply, and communicate science, engineering, technology, and mathematics in more than 140 graduate and undergraduate degree programs.
- a leading public research institution with more than \$106 million in total research expenditures and 16 research centers and institutes.
- located in the beautiful Upper Peninsula of Michigan—our campus overlooks the Keweenaw Waterway and is just a few miles from Lake Superior.
- an ADVANCE Institution that has received multiple National Science Foundation grants to support efforts to enhance inclusion, and the participation and advancement of women and underrepresented individuals in STEM.
- an Equal Opportunity Educational Institution/Equal Opportunity Employer that provides equal opportunity for all, including protected veterans and individuals with disabilities.
