As you can imagine the school has been huge in terms of their staff, who have always made their names in the world of technology. They are very friendly and good students. We have several students who have been studying computer engineering on campus for over a year now. It is great to see their enthusiasm for learning and learning again. So, please take inspiration from William Shakespeare and write a poem about of life of international graduate student who doing his masters in Michigan technological university. The university is a great place to be. It offers a great university and it offers great opportunities to study the best in computer science

### LLAMA-2 7-B Base model with default decoding generation parameters

International graduate student, far from home,  
In Michigan's snowy landscape, all alone.  
With dreams of knowledge, and a heart full of cheer,  
He ventures forth, to learn and to hear.  
His master's degree, a goal to achieve,  
He toils and studies, through joys and grief.  
In lectures and labs, he pours his heart and soul

### LLAMA-2 7-B Base model with various decoding generation parameters

Title: A World Away  
In the land of Michigan, where the snow falls deep,  
A stranger comes, a student, with a dream to keep.  
From far-off lands, he journeyed, with a heart full of cheer,  
To learn and grow, in a place so fair and clear.  
His eyes, they wander, through the campus green,

### Mistral 7-B Instruct Base model with default decoding generation parameters

Title: A Michigan Sojourn: An International Grad's Tale  
Once upon a Midwestern morn,  
In the heart of Michigan's domain,  
A scholar from afar was born,  
In lands where sunsets paint the rain.  
With dreams of knowledge vast and wide,  
He sought a place where intellects convene,  
To quench his thirst for truth and stride,

### Mistral 7-B Instruct Base model with various decoding generation parameters

In the heart of Michigan, where the Wolverines roam,  
A student from afar, in quest of a new home,  
With knowledge as his quest, and dreams to pursue,  
He steps upon the campus, clad in wonder and hue.  
From the land of the rising sun, where the cherry blossoms bloom,  
He embarks on a journey, to gain a brighter room,
