

Snehamoy Chatterjee

-Associate Professor, Geological and Mining Engineering and Sciences
-Witt Family Endowed Faculty Fellow in Mining Engineering

schatte1@mtu.edu

+1-906-487-2516

Research Interests

- Mine Planning and Design under Uncertainties
- Production monitoring and automated control using image sensors
- Multi-point and multi-scale geostatistics
- Mine safety, reliability, and occupational risk modeling
- Statistical and artificial intelligence monitoring
