

Flavio Bezerra Costa

Assistant Professor
Electrical and Computer Engineering

fbcosta@mtu.edu

+1-906-487-1582

Research Interests

- Smart Grid
- Integration of Renewable Energy Systems
- Power System Protection, Control, Monitoring
- Power Quality
- AC/DC Microgrids
- High-Voltage Direct Current (HVDC) Electric Power Transmission Systems
- Application of Signal Processing in Power Systems
- Applications of AI in Power Systems
