

# Jingfeng Jiang

Professor, Biomedical Engineering  
Graduate Program Director, Biomedical  
Engineering

[jjiang1@mtu.edu](mailto:jjiang1@mtu.edu)

+1-906-487-1943

## Research Interests

- Biomechanics (Bio-solids and Biofluids)
- Medical Image/Signal Processing
- Machine Learning and Computer Vision with Applications in Medical Imaging
- Developments of Ultrasound Technologies for Tissue Characterization

## Links of Interest
