WE POWER PROGRESS

What we move moves the economy.

It's not just our reliable delivery of natural resources, agricultural products, and consumer goods. It's also the tens of thousands of careers we support and our long-term investment in tracks and trains that really help keep America's economy healthy.

**WE PLAN AND DESIGN THE
NATION'S TRANSPORTATION
SYSTEMS, WITH A LEGACY
IN RAIL AND A PASSION FOR
SUSTAINED MOBILITY**

ESCANABA & LAKE SUPERIOR RAILROAD REPAIR FACILITY

Full Service Car Repair and Paint shop - The E&LS Railroad operates a modern, full-service railcar repair and paint facility in the Upper Peninsula of Michigan. Located in Escanaba and Wells, the E&LS has turned out thousands of cars since 1991, including the conversion of boxcars. The specially designed blast, paint and stencil building is equipped with state-of-the-art technology for fast, efficient and environmentally safe production. Our M1003 certified Quality Assurance Program tracks both materials and procedures utilized so that all AAR, Federal, State and local requirements are met, including environmental regulations.

Proud sponsors of the

MIRC
MICHIGAN RAIL CONFERENCE

www.MannikSmithGroup.com

CN

17641 South Ashland Ave
Homewood, IL 60430
www.cn.ca

"CN is a true backbone of the economy whose team of approximately 24,000 railroaders transports more than C\$250 billion worth of goods annually for a wide range of business sectors, ranging from resource products to manufactured products to consumer goods, across a rail network of approximately 20,000 route-miles spanning Canada and mid-America."

CSX Transportation

2600 Parsons Avenue
Columbus, OH 43207
csx.com

"CSX Corporation, together with its subsidiaries based in Jacksonville, Fla., is one of the nation's leading transportation suppliers. The company's rail and intermodal businesses provide rail-based transportation services including traditional rail service and the transport of intermodal containers and trailers. Our network encompasses about 21,000 route miles of track in 23 states, the District of Columbia and the Canadian provinces of Ontario and Quebec."

Escanaba & Lake Superior Railroad (E&LS)

6366 South 1st St
Wells, MI 49894
www.elsrr.com

"The Escanaba & Lake Superior Railroad (ELS) operates 335 miles of track in the Upper Peninsula of Michigan and Northeastern Wisconsin. The Railroad also provides rail car storage for private car owners. At its rail car shop in Escanaba, the ELS provides world class contract repairs for the 10 of the largest private car owners in North America plus Class I railroads."

Fletcher & Sippell LLC

29 N. Wacker Dr., Ste 800
Chicago, IL 60606
<https://fletcher-sippell.com>

"Fletcher & Sippell serves those who make the economy "move." Providing legal advice to solve commercial and regulatory problems for the transportation industry with a special focus on rail matters, F&S is proud to help those who keep Michigan on track."

HDR Inc

1917 S. 67th Street
Omaha, NE 68106
hdrinc.com

"Founded in 1917, HDR, Inc. is an engineering, consulting and architectural firm with 12,000 employees globally. Our operating philosophy is to be an expertise-driven national firm that delivers tailored solutions through a strong local presence. We contribute vital expertise to develop and advance transportation projects at each stage of development."

HNTB

3100 West Road, Building 3,
Suite 110
East Lansing, MI 48823
www.hntb.com

"Through the delivery of innovative public transit solutions, HNTB is partnering with transit authorities to better connect people and places in communities across the country. We plan, design and construct rail and public transportation systems and facilities for all modes."

**Huron & Eastern Railway
(Genesee & Wyoming)**

3670 N Euclid
Bay City, MI 48706

"Huron and Eastern Railway (HESR) is a short line railroad operating 394 miles of track in The Thumb and Flint/Tri-Cities area of the lower peninsula of Michigan. It is currently owned by Genesee & Wyoming, Inc., who purchased it from RailAmerica in 2012. Its headquarters is in the former Michigan Central Railroad depot in Vassar, Michigan."

Mannik Smith Group

1800 Indian Wood Circle
Maumee, OH 43537
www.manniksmithgroup.com

"The Mannik & Smith Group, Inc. (MSG) was established in 1955. Today, nearly 70 years later, MSG has over 525 employees across 17 offices providing professional Civil/ Structural Engineering, Planning, Landscape Architecture, Transportation Engineering, Environmental Engineering, Surveying, Geotechnical Engineering, Mechanical/Electrical/Process Engineering, Agricultural Engineering, Permitting, Funding Strategy Assistance, and Construction Engineering/ Inspection/ Materials Testing."

**Michigan Association of
Railroad Passengers**

PO Box 405
Okemos, MI 48805
<http://www.marp.org>

“Working to Improve and Expand Passenger Rail Services in Michigan”

MARP is a 501 (c)(3) all volunteer organization established in 1973 to improve passenger train and intercity bus services, travel conditions for passengers, and to support the preservation of historic rail stations.”

**MSU - Center for Railway
Research & Education**

Broad College of Business, 3535
Forest Road
Lansing, MI 48910
<https://broad.msu.edu/railway-center/>

Center for Railway
Research and Education
Broad College of Business
MICHIGAN STATE UNIVERSITY

“Michigan State University Center for Railway Research and Education provides continuing education, including the Railway Management Certificate Program, and customized seminars. Additionally, research projects, expertise in energy, motive-power, and management for freight, passenger and transit rail.”

Norfolk Southern Railroad

411 East Franklin Street, Suite
501
Richmond, VA 23219
<http://www.nscorp.com>

“Norfolk Southern Corporation is one of the nation’s premier transportation companies. Its Norfolk Southern Railway Company subsidiary operates approximately 19,300 route miles in 22 states and the District of Columbia, serves every major container port in the eastern United States, and provides efficient connections to other rail carriers.”

Pettibone, LLC

1100 Superior Ave
Baraga, MI 49908
www.gopettibone.com

“The premier manufacturer of rough terrain material handling equipment since 1881. Pettibone produces the Speed Swing which is the industry original swing loader and rail crane. Providing for the maintenance-of-way industry, Pettibone offers the machines needed to handle any rail maintenance tasks.”

<p>Quandel Consultants, Inc 161 N Clark St, Suite 2060 Chicago, IL 60601 www.quandelconsultants.com</p> 	<p>“Quandel Consultants is a Chicago-based and employee-owned professional engineering firm, with 2 Michigan offices. Quandel proudly serves MDOT’s Office of Rail on various projects, most notably as the PM of the Michigan Accelerated Rail Project, the first passenger rail outside of the NEC to reach speeds up to 110mph.”</p>
<p>SW Bridge 523 W North Street Deforest, WI 53532 www.swbridge.com</p> 	<p>“At SW Bridge, our focus is on railroad bridge structures. Our clients include shortlines, regionals, and Class 1 railroads and we tailor our engineering to the characteristics of the railroad. We create designs that anticipate field conditions, satisfy track time constraints, and deliver a durable and functional final product.”</p>
<p>WSP Guardian Building, 500 Griswold Street, Suite 2600 Detroit, MI 48226 http://www.wsp.com/</p> 	<p>“WSP is a national leader in full-service rail planning, development, and delivery with demonstrated success in handling rail projects from conception to completion. Our combination of specialized rail knowledge, technical capabilities across the project lifecycle, and client-focused approach are hallmarks of our national rail practice.”</p>

The Planning Committee and Organizing Partners want to give a very heartfelt thank-you to our amazing sponsors! Without their continued support each year, we wouldn't be able to provide such a plentiful conference for all our attendees.

THANK YOU!
